CHILD AND YOUTH RELIGIOUS EXPLORATION

Looking Back: October 1st was my first day as director of religious exploration, and I can truly say that it was a month full of joy, learning, and celebration. I got to meet the RE students and other members of the congregation and received such a

warm welcome. I got to participate in my first Diwali celebration and explore the beauty of the autumn season.

Looking Forward: November will be a busy month for the RE program. We'll be participating in "Guest at your Table" and learning about the importance of food sustainability. We will also be exploring some important civil rights' leaders and discussing the value and inherent worth of all living creatures. Finally, we will be preparing for several important upcoming events such as the Christmas program and the Giving Tree

fundraiser. January will bring a new year and a lot of exciting events such as OWL, RE workshops, and monthly birthday celebrations.

Reminders:

- Let me know if you'd like to register your 7th-9th grader for OWL. It will be starting in January.
- I am collecting winter holiday tradition stories to incorporate into the Christmas program. Please e-mail me or feel free to drop off stories in my mailbox.

- Please see me on Sunday for a Giving Tree handout. It is an exciting fundraiser that the RE will be taking part in for the Christmas Jubilee. Feel free to e-mail me with any comments, questions, or suggestions at drenicolerice@yahoo.com. You may also sign up for a time to meet with me on my door/mailbox.
