Prelude Lessons To Be Learned
(Malamet, Rich, Gazeley)

"They say there's a universal plan for every woman,
for every man.

I do believe there's a higher power, but in our darkest
hour it's hard to understand.

So we start to question, start to doubt.

We lose faith in what life's all about.

Why did the right road take the wrong turn?

Why did our heart break? Why'd we get burned?

Just like the seasons, there are reasons for the path we
take.

There are no mistakes, just lessons to be learned.

Don't give up, keep on looking deep inside.

Let your heartbeat be your guide, cause there's a gift
for those that keep believing.

You'll find what you've been needing it's right before
your eyes.

You'll hold the answer in your hands.

And then you'll know you'll finally understand."

Speaker: **Loren Olson**

Topic: **Loren's Art**

Loren Olson is happy to present her work to the UU Church, following her family's long association with the church. My work is about energy. Drawing, painting, installations, collaborating with a choreographer, energy has been the theme, the underlying unifying vision.

Sunday, June 11th Service

Speaker: **Janice Thiel**

Topic: **Why are we here (in a UU worship service) anyway?**

In other Christian denominations, worship is to praise God, ask for forgiveness of our sins, and ask for his help. We come together to experience a sense of awe, to renew our spirits, and to connect with others who help us be our best selves.
