FROM THE BOARD PRESIDENT

As the enormous gavel (truly enormous!) was passed from Mark to me at the last Board meeting, I guess it's official, and time to do a quick introduction of myself.

I'm Gale Charlotte, and I've been a member of this church for almost 20 years. I've been on the Board for at least 10 of those years, serving as a Trustee, substitute Secretary (for Verna Ritz, who traveled to Washington, D.C. for part of a year), and Treasurer. I was also on the Future Space Committee when we made the huge decision to move from our former home on South Seventh Street in Lafayette to "something bigger". Some might say I'm a glutton for punishment, but I guess I've always felt that serving on the Board was a way to make sure that this church continued to be a part of this community. Many of the decisions made in Program Council and at Board meetings are a vital component of maintaining our presence, and I wanted to do what I could for a church that has given so much to me and to my family.

You see, my children were raised as UUs, and when I "came out" to them as a lesbian, the first thing they both said to me was, "Mom! I went to RE at the UU Church—I'm fine with this. Really." I feel that, had we gone to another kind of church, those conversations would have been so much more difficult. The members of our congregation have also been so very supportive of me, and of Karen, my partner of nine years. I know others who have been shunned by their religions, forced to drop out of the church, stripped of any crucial support, so being embraced by all of you is something I do not take for granted.

So, I will do my best to give back to you.

I encourage you to contact me, or any Board member. We are here to listen to you, and to take your dreams, concerns, and wishes to the rest of the Board.

This year, we will be filling some key personnel positions, so I ask for your support and understanding as we try to fill these vacancies. You may be called upon to help in some way, and I do hope you will step up as needed. This year, we will also be making some major financial decisions, and I hope you will not only be a part of those discussions, but can then support our church monetarily. I have a feeling that, if you feel the way I do about our church, it will not be difficult for you to give your support.

And for that, and so much more, I thank you.

*Best wishes,
Gale Charlotte
President, Board of Trustees*

MINISTER'S MUSINGS:

"In Search of Water"

School's out for Summer. Church attendance tends to decline. So I am suggesting a spiritual assignment for summer. Be mindful when you encounter water. Think about its practical and metaphorical meanings. Be aware of its scarcity or abundance. People start returning to church on the first Sunday after school starts. This year that will be on August 17 and we will hold the UU water ceremony. Prepare for that Sunday by continually asking, "Is this the water I seek?"

In the morning shower one can ask,

"Is this the water I seek?"

Does it mean cleanliness or godliness?

"Is this the water I seek?"

At the beautiful vacation destination,

"Is this the water I seek?"

Does it bring escape or reconnection?

"Is this the water I seek?"

In the plastic bottle from the big box store,

"Is this the water I seek?"

It is wasteful yet convenient.

"Is this the water I seek?"

Water for baptism and quenching,

Or water balloons drenching,

A sprinkler for yard work or play.

"Where is the water I seek?"

"Why is this the water I seek?"

"Is this the water I seek?"

Blessings,

Rev. Charlie

RELIGIOUS EXPLORATION

Some changes look negative on the surface but you will soon realize that space is being created in your life for something new to emerge. -Eckhart Tolle

I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel. -Maya Angelou

Three years.

Depending on your vantage point, it's a significant amount of time—or not all that long.

I've just completed my third year in service as your Director of Religious Exploration, and from my personal vantage point, three years is both—a long time... and not long enough. I've had some amazing experiences with you folks, children, youth, and adults alike, and I can easily envision even more that we could do together. But there have been challenges and changes in my personal circumstances in recent months, life is short, and, well... I've been hearing the persistent calling of other muses. And so it is with bittersweet and mixed emotions, after much soul searching, I have decided to branch off in another direction on my life's path. I hope you have felt and will continue to feel my love and fondness for this congregation, and know that I wish you all the best. I will truly miss being a part of this community, and I hope at least some of you will stay in contact. Champaign is not really *that* far away!!

In an effort to make the transition of my leaving as easy as possible, I have tried to document the vision and goals the R.E. Council and I worked on during my time here. By the time you are reading this, there will have been a retreat, facilitated by district folks and attended by a representative population of the congregation's stakeholders who know where the R.E. program has been in the past, who have kids, both younger ones and older, and R.E. Council, board members, and Reverend Charlie, who will have spent time reflecting, dreaming, and planning to craft a blueprint for next steps—both short-term and for the future.

My official resignation date is *July 1*. Until then, I will continue to try to help out where I can in getting things ready for the upcoming months. The nursery is in capable hands with Lizz Cohen. Rae Schnapp and Beth Hoffmann have been busy working on getting together a list of volunteers and summer gardening activities for our pre-k through middle school gang. Please help if you can—youth, this includes you!! On Sunday, June 8th, be sure kids come to church wearing sunscreen and dressed to get dirty, for that is the day we have targeted to plant our pizza garden (among other things).

The high school youth group has a trip to Cedar Point coming up June 13-14. Parents and youth—watch your email for more info and be sure to let Kat and Mark know if you plan to join in on the fun asap! In July, we have two youth who will be attending Youth Midwest Leadership School- a very cool thing, not only for them, but for the youth group and congregation- way to represent UUCTC Fia Esquivel and Ben Lincourt!!

At some point this summer, (hopefully sooner, rather than later) we hope to have a Spirit Play story basket making party, open to everyone. And last but not least, coming this fall, Barney Dunning and Amy French will be teaching 7th-9th grade Our Whole Lives, comprehensive sexual education. Be sure and speak with one of them if you have or know of a youth who might be interested in participating.

In the coming weeks, please be looking for R.E. registration forms and get them completed asap! It really makes a difference to have them when trying to plan. R.E council members for next year are Rae Schnapp, Elizabeth Hoffmann, Kirsten Reynolds, Andrea Burniske, and Neil Schmitzer-Torbert. If one of them contacts you to help out, please consider it. I think most adults find working with our kiddos a surprisingly meaningful endeavor and spiritual practice for themselves.

See you at church,

Sheila

Sheila Garrett

Director of Religious Exploration

Special Note: Have you signed up to help out with Summer RE activities yet? If not- please consider helping out! Beth Hoffmann has the volunteer list and there's lots of fun stuff planned. Parents: there will be a significant amount of time spent outdoors this summer, so please remember to have your kids wear sun screen and clothes that are okay to get dirty. If there are allergies we need be aware of, please let our Sunday R.E. volunteers know. Thanks!

June 8- Kids should wear clothes that are okay to get dirty- today is the day the planting of our pizza garden begins!!

PLEASE SUPPORT ENERGIZING INDIANA

Energizing Indiana has supported our congregation. Now our congregation can support *Energizing Indiana*.

There is a proposal to cut them out of the Indiana state budget. There is a comment period on *Energizing Indiana* that expires Monday, 6/9. The link below will support *Energizing Indiana* so that their funding will be restored.

Energizing Indiana sponsored a program that performed many home energy audits for our members along with free high efficiency light bulbs and shower heads. *Energizing Indiana* paid over \$1200 dollars to our church for sponsoring these audits. *Energizing Indiana* performed a four hour energy audit at the church building last month and delivered a 12 page report to us.

Please comment on the link to help restore support of *Energizing Indiana*.

UU Book Discussion

You Can't Put God in a Box

Thoughtful Spirituality in a Rational Age

With the loss of religious certainty which prevailed in pre-modern times, some people embraced religious fundamentalism and others shunned religion altogether.

This book focuses on those spiritual seekers who found a "middle way" which draws equally on religious traditions and traditions of reason. They prefer metaphor to literalism and spiritual experience to doctrinal belief.

Join us whether or not you have read the book!

Our Covenant

Love is the spirit of this church
and service is its law.
This is our covenant:
to dwell together in peace,
to seek the truth in love,
and to help one another.

Our Mission Statement

The Unitarian Universalist
Church is a nurturing religious
community that celebrates
diverse beliefs and encourages
spiritual growth through
lifelong learning. Guided by our
Unitarian Universalist Principles,
we support each other in our life
journeys and work toward
social justice in the local and
world communities.

The Seven Principles Which Unitarian Universalist Congregations Affirm and Promote

- The inherent worth and dignity
of every person;
- Justice, equity and compassion in
human relations;
- Acceptance of one another and
encouragement to spiritual
growth in our congregations;
- A free and responsible search for
truth and meaning;
- The right of conscience and the
use of the democratic
process within our congregations
and in society at large;
- The goal of world community
with peace, liberty, and justice for
all;
- Respect for the interdependent
web of all existence of which we
are a part.
