## MINISTER'S MUSINGS

Feb 14 is Valentines Day.

Perhaps you are going to give a gift to that special someone. Your one true love. I remember in elementary school we had to get valentines for everybody in the class so that no one would feel unloved.

I think most people of most religions, nations and philosophy agree that we should love each other. But love means so many things it needs to be better defined. When we try to love our enemies what type of love are we talking about?

**Puppy Love** Intense infatuation and addictive hunger for connection with a person. Even if it is only writing their name over and over in your notebook.

**Romantic Love** A more tender and lasting form of the above. May develop into marriage.

**Friendly Love** An abiding affection for the companionship of another. Not to be confused with "just friends."

**Love of your Life** Can only be determined with the passage of time. Experiencing the better and worst again and again, yet still wanting more.

**Family Love** Giving someone the benefit of the doubt just because they are kin.

**Parental Love** Strange mixture of extreme pride and utter dread about who they are and what may happen.

**Tough Love** Refusing to enable another person's destructive behavior.

**Objectified Love** Enjoying the pleasure of impersonal things. Such as "I love football and pizza"

**Unrequited Love** Secretly caring about someone from a distance.

**Healing Love** Unconditional positive regard. Accepting people where they are and allowing them to find their own way.

**UU Love** Respecting everyone's inherent worth and dignity.

## Board President's Column

It's mid-January, and while the results of the 2016 pledge campaign are incomplete, we can now confidently predict a significant shortfall that will indicate either additional fund-raising or additional budget cuts.

Efforts to rent space in our church building are ongoing. While there was an unexpected increase in 2015 end of year giving that resulted in a surplus, there seems to be considerable reluctance to count this as revenue for balancing the 2016 budget.

To explore the fund-raising side, we are having a fund raising idea and commitment meeting in the Fellowship Hall at noon on February 7. You may have seen the brochure for this in your email. Please mark your calendars!

Our current church leadership includes some of the most involved members of our congregation. As such, we carry an awareness that there is a limit to our church's ability to raise funds by whatever means. This is a time when we, once again, pause to recognize the abundant generosity of this congregation both for their pledge giving and fund-raising efforts.

May we continue to be resourceful in 2016 and insure the future of our community.  
Bill Welge

## Kitchen and Fellowship Hall News

Please check the white table in the Fellowship Hall near the playground and on top of the microwave in the kitchen for **lost kitchen items!** We will be taking them to the **Goodwill on March 12**, so please claim anything that is yours!

We are also trying to reorganize the upper room near the Fellowship Hall. Right now, this is where our paper goods (paper towels, toilet paper, napkins) are stored, along with items from various groups in the church. If you have items stored there, please make sure they are stored in bins or boxes, clearly labeled with your groups' name. If you have any questions please contact Christine Schertz. ## LOST AND FOUND

## CHALICE CIRCLE REGISTRATION

Chalice Circles, a small group ministry focused on fellowship and spiritual growth through deep listening, began meeting in October. An important part of the Chalice Circle philosophy is an 'open chair' policy that allows new members to join a Circle anytime a vacancy develops in an active group.

Would you like to be included in one of the Circles? Our congregation has three active Chalice Circles. The Chalice Circles meet once a month, typically in the home of one of the members. If you would like to be added to the waitlist for a group, please click on the link associated with the day/time that works best for you:

- The **second Wednesday of the month from 10:00 a.m. to noon**; <https://uuctc-chalicecircle-wednesday.eventbrite.com>
- The **third Thursday of the month from 7:00 p.m. to 9:00 p.m.**; <https://uuctc-chalicecircle-thursday.eventbrite.com>
- The **second Sunday of the month from 4:00 p.m. to 6:00 p.m.** <https://uuctc-chalicecircle-sunday.eventbrite.com>

If you encounter any difficulties with the registration process, or have any questions, please contact Dorothy Hughes, Chalice Circle Coordinator at [djhughesLMHC@gmail.com](mailto:djhughesLMHC@gmail.com) or 765-237-7652.

## RELIGIOUS EXPLORATION

Director of Religious Exploration Nicole Rice, drenicolerice@gmail.com

### Looking Back:

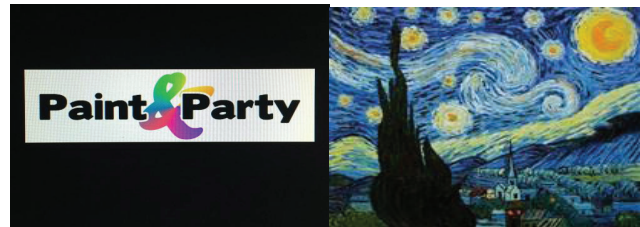

In January, we looked for ways we could give back to the community, by participating in service projects and simple acts of kindness. We donated cookies to the firefighters, visited an animal shelter, and learned more about helping others.

### Looking Forward:

In February, the theme is family, acts of kindness, and equality. We'll be discussing how to promote a sense of equality in the community.
