Call To Worship Larry Guentert

Chalice Lighting Michael Lewis

If we're destroying our trees and destroying our environment and hurting animals and hurting one another and all that stuff, there's got to be a very powerful energy to fight that. I think we need more love in the world. We need more kindness, more compassion, more joy, more laughter. I definitely want to contribute to that.

—Ellen DeGeneres

Opening Song *Original Composition by*
Larry Guentert

Our Covenant

Love is the spirit of this church
And service is its law.
This is our covenant.
To dwell together in peace,
To seek the truth in love,
And to help one another.
