Welcome & Announcements

Prelude (followed by a moment of silence)

Chalice Lighting

So you run and you run to catch up with the sun but it's
sinking

Racing around to come up behind you again.

The sun is the same in a relative way but you're older,
Shorter of breath and one day closer to death.

Every year is getting shorter never seem to find the
time.

Plans that either come to naught or half a page of
scribbled lines

From Time by Pink Floyd

And smiles you'll give and tears you'll cry

And all you touch and all you see

Is all your life will ever be.

- Explore:** a cave
- Learn:** about native Indiana plants
- Enjoy:** being outside in nature
- Appreciate:** a delicious picnic with friends
- Discover:** interesting places around town or close by
- Accomplish:** planting an outdoor garden

I want to hear from all of you! What do you want to...
