FAREWELL

To the people of UUC, I have been so honored to be a part of your community for the past few years. Although demands on my schedule have made it necessary for me to resign my position playing here for you, please know that it is with a heavy heart that I do so. I have appreciated so much those that have shared kind comments with me throughout the last few years and the generous support of the amazing musicians in this congregation. I have grown as a person and musician through the experience of spending time with the UUC community and have nothing but respect, gratitude and love for you all.

With my sincere appreciation,
Janine
