## Chalice Lighting

“The trigger for white rage, inevitably, is black advancement. It is not the mere presence of black people that is the problem; rather, it is blackness with ambition, with drive, with purpose, with aspirations, and with demands for full and equal citizenship.

- Carol Anderson, *White Rage*

## Congregational Response

## Extinguish Chalice

Imagine if Reconstruction had actually honored the citizenship of four million freedpeople—provided the education, political autonomy, and economic wherewithal warranted by their and their ancestors' hundreds of years of free labor. If, instead of continually re-fighting the Civil War, we had actually moved on to rebuilding a strong, viable South, a South where poor whites, too—for they had been left out as well—could gain access to proper education. Imagine”

- Carol Anderson, *White Rage*

## Unison Benediction

This Service is over. Our Service has just begun.  
Peace and unrest.

**Postlude** Bright Wind by Morgan Foster

## Statement from UUA Regarding an Interim Ministry Position:

It is understood, in accordance with the established policy of the Unitarian Universalist Association, that the interim minister is pledged not to become a candidate for the congregation's called ministry, not to serve the congregation for more than two years (with a limited exception for interim ministers of religious education and interim associate and assistant ministers), and not to discuss specific prospective candidates for the called ministry of the congregation with the ministerial search committee.

It is also understood that interim ministers both carry out the normal responsibilities of congregational ministry, including worship and pastoral care, and also assist the congregation in addressing the following interim tasks:

- claiming and honoring its past and engaging and acknowledging its grief and conflicts
- recognizing its unique identity and its strengths, needs, and challenges
- understanding the appropriate leadership roles of minister(s), church staff, and lay leaders and navigating the shifts in leadership that may accompany times of transition
- making appropriate use of regional, UUA, and other outside resources
- renewing its vision, strengthening its stewardship, preparing for new growth and new professional leadership, ready to embrace the future with anticipation and zest
