Video: **Margaret Mitchell, An American Rebel**

The one book she published in her lifetime - Gone With the Wind - sold millions of copies during the Great Depression in America and won the Pulitzer Prize in 1937, 75 years ago. Margaret Mitchell: American Rebel engages leading authors, historians, biographers, and people with personal connections to Mitchell to reveal a complex and mysterious woman. It is about 55 minutes long.

Speaker: **Joe Micon, Executive Director, LUM**

The Lafayette Urban Ministry (LUM) is an organization of more than 40 churches that serves as a social safety net for Lafayette's needy children and families.

For over 40 years, LUM has worked to give back the hope, the future, and the self-respect to low-income people in the Greater Lafayette area. We take an active role in trying to change social injustices and improve the quality of life for the poor of Indiana.

## NURSERY

Christina Wright, Nursery@uuctc.org

As children work to find their own personal power, they may struggle over what aspects of their lives they should be allowed to control. Things within your control:

Your attitude

Your thoughts

Your perspective

How honest you are

How many risks you take

How kind you are to others

How kind you are to yourself

How you express your feelings

Whether or not you ask for help

The amount of effort you put forth

How much time you spend worrying

Whether or not you judge other people

Your appreciation for the things you have
