Call To Worship Reading by Larry:

Life puts us into endless awkward positions. Fully embraced, these become emblematic postures of dignity and grace. ~ Sky

One of the main benefits of grace is the guidance that leads you to live in joy, with abundance and on purpose. When your body, mind and spirit are fully integrated with others and with Creative Source, you will know what to do from moment to moment. When you are in a state of grace, you are guided to live your best life and to serve others with ease and joy. Author: Cathy@LightHeartMedia
