Sermon A Scout is...a UU

Speaker Kevin Bump

Closing Hymn # 1014 Blue Boat Home

Chalice Extinguishing By: Robert Baden Powell

The real way to get happiness is by giving out happiness to other people. Try and leave this world a little better than you found it and when your turn comes to die, you can die happy in feeling that at

any rate you have not wasted your time but have done your best. 'Be Prepared' in this way, to live happy and to die happy - stick to your Scout Promise always – even after you have ceased to be a boy – and God help you to do it.

Benediction

May the great Scoutmaster of all Scouts be with us until we meet again.

Postlude Pure Imagination Leslie Bricusse

NURSERY

Christina Wright, Nursery@uuctc.org

Once I was told by an experienced educator that this field of work ages you quickly. I could only assume I knew what she was talking about at that time. Now, I get it. Some of the children left in my care when I was a teen have gotten married and begun families of their own. It is interesting how watching children learn and grow can make the time fly. It must be due to all of the smiles and laughter.

“It happens before you know it. The handprints become higher and higher, and then they disappear.”
