Chalice Lighting - Words from Dr. Bronner's Soap (Hemp and Almond version)

The trouble with the world is that the wrong people are always the most energetic, united and intense, while the hard-working work scattered, divided, less intense! That fact alone brings Hitlers, Stalins and Parasites to power and that fact will only change when we change; that is when we teach the Essene moral ABC 6 billion strong! Free by teaching only full truth, god's law, eternally one; all one!

Our Covenant

Love is the spirit of this church, and service is its law.

This is our covenant:

To dwell together in peace, to seek the truth in love, and to help one another.

NURSERY

Christina Wright, Nursery@uuctc.org

Children are genuine and honest. At times blatantly so. While making silly faces in the mirror together, one of my littles explained my appearance. It was a less than flattering description. I loved every moment.

In a world of selfies and social media putting a mask of perfection on every detail, raw honesty is refreshing. Acceptance of humanness is what I find in this congregation. It is a rare thing to find in an establishment of this type. I appreciate being a small part of it. Thank you.

“I think it’s intoxicating when somebody is so unapologetically who they are.” -Don Cheadle
