Welcome

Prelude

Chalice Lighting We Come to be Blessed by Faith Works
We come today longing and looking for blessing. In our loneliness, may we find the blessing of connection. In our doubt, may we feel the reassurance of a love that will not let us go. In the dullness of our senses, may the blessings of unexpected gifts be ours. In our fear, may the blessing of courage return. May this flame we now light remind us to look up and around one more time. May it help us notice the blessings that are always waiting for us when we need them most.

Opening Hymn #21, For the Beauty of the Earth

Our Covenant

Love is the spirit of this church, and service is its law.
This is our covenant:
To dwell together in peace, to seek the truth in love,
and to help one another.

Chalice Extinguishing

As we extinguish this chalice, carry the flame of blessing as you go. May we keep our hearts full and shower all we meet with kindness and caring. May we be a beacon to all we encounter, and may love and warmth keep you till we meet again.

Unison Benediction May the Quality of our Lives
by Philip Randall Giles
May the quality of our lives be our benediction,
and a blessing to all whom we touch.
