**Chalice Lighting** *Bring Your Broken Hallelujahs Here*

Never has it been more true than now:  
We extinguish this flame,  
But the sparks within us remain alight.  
From each of us, in our supposed solitude,  
The signals buzz and hum, sparkling  
through space one to another,  
Connecting us invisibly  
But palpably.

Bring your broken hallelujah here.  
Bring the large one that is beyond repair.  
Bring the small one that's too soft to share.  
Bring your broken Hallelujah here.  
I know that people have told you that before  
you can give, you have to get yourself together.  
They overstated the value of perfection by a lot.  
Or they forgot. You are the gift.  
We all bring some broken things, songs  
and dreams, and long lost hopes. But here,  
and together, we reach within.  
As a community, we begin again. And from  
the pieces we will build something new.  
There is work that only you can do.  
We wait for you.  
By Theresa I. Soto

We are one.  
And from every window,  
Our light shines.  
By Amy Zucker Morgenstern

**Benediction**     Holy and Generous Love

Go in hope, for the arc of the universe is long and  
we can bend it toward justice. Go in courage, for  
together we have the strength to confront injustice  
in our daily lives and the larger world. Go in love,  
because a holy and generous love is both the  
reason and the means by which we transform  
our lives.

**Welcome**
